PROFESSIONAL SUMMARY

Experienced K-12 educator with over 15 years in teaching, specializing in Science. Committed to fostering a positive learning environment and integrating technology to enhance student engagement and success. Seeking to contribute as an Online ESL Tutor delivering high-quality English instruction to international learners.

Committed and passionate Science Teacher in Biology, General Science, and Research Instruction. Licensed Professional Teacher with a Master's in Teaching Early Grades, deeply aligned with the philosophy of promoting critical thinking, scientific problem-solving, and academic freedom. Skilled in designing inquiry-based, values-infused lessons that encourage freedom of inquiry, honest research, and transformation of learners into productive, engaged citizens. Proficient in leveraging ICT, hands-on laboratory work, and collaborative teaching strategies to support Arellano's goal of producing competent, ethical, and socially responsible graduates. Dedicated to preserving Filipino values while transmitting scientific knowledge.
